Don't forget, we are compiling a souvenir yearbook for all our classmates. It will include photos, biographical data, and what has happened to many of us since we left those hallowed halls. We've gotten many bios and pictures but we want everyone to be included - so we have extended the deadline to March 31. To be included send us a one page history or biography. We need 'camera-ready' copy. See Harv Becker's letter of September 6, 2005 for more details. Color or black & white is fine.
